bring us the leftovers.

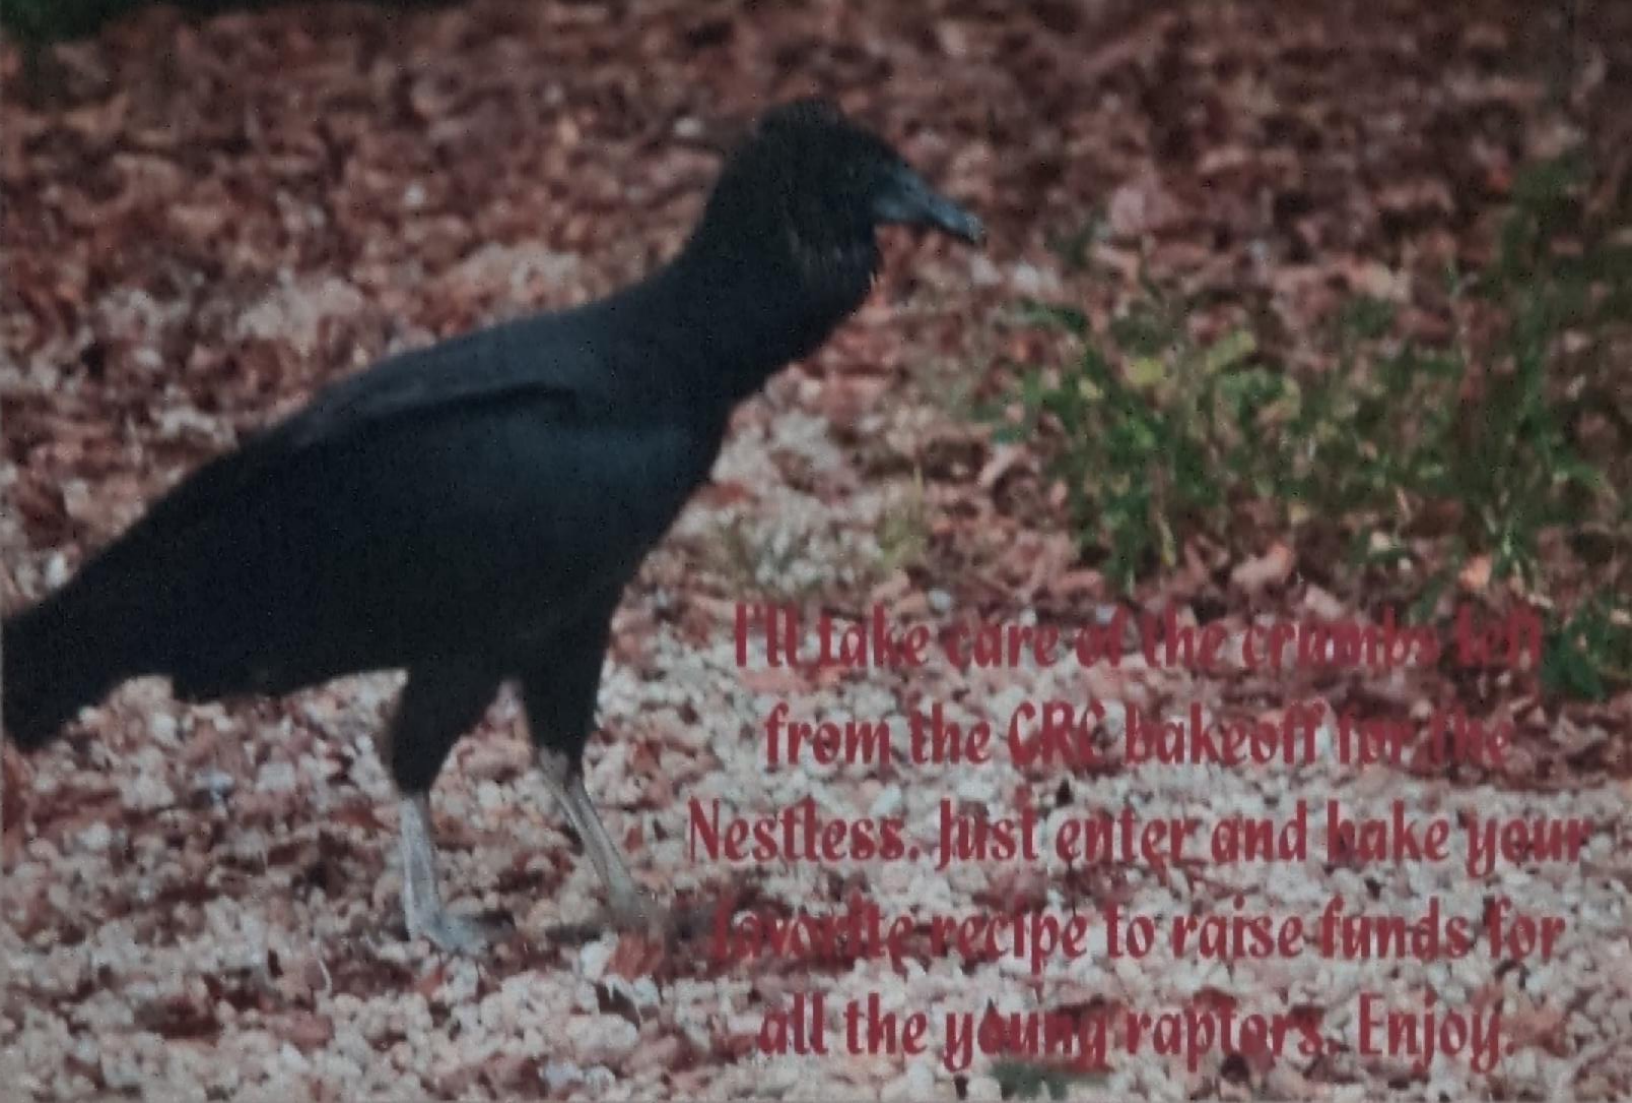

I hope you bring something good.
Rodents just go so far. Even the
CRC baked for the Nestless and bring
us the leftovers.

A black bird, possibly a raptor, is perched on a green, textured surface. The bird has a white patch on its forehead and a sharp, hooked beak. The background consists of horizontal wooden slats.

What are you entering for the
CRC bakeoff? I know it will be
deliscious and you may win a
prize and help raise funds for
all the young raptors.
